

AT LAST! PEACE OF MIND SELLING / BUYING USED ENGINES

Best Wishes for 2016

WANT TO SELL YOUR ENGINE or BUY A USED ENGINE?

- Send your engine to the Wren factory (please let us know before you ship it)
- Wren will carry out an **Engine Health Report** - [£100/€135 inc VAT]
- The Engine Health Report will ensure the engine is in good running order & will list any repairs carried out to make the engine ready for sale.
- The engine will be advertised on the website/Facebook , with the health report & Wren's photographs of the engine.

TRADING-IN YOUR ENGINE AGAINST A NEW ONE

- Send your engine to the Wren factory (please let us know before you ship it)
- Wren will carry out an **Engine Health Report*** as above
[*free of charge, though a deposit will be taken for the new engine]
- The engine will be advertised on the website/Facebook , with the health report & Wren's photographs of the engine.

ENGINE RANGE Gas, kero or DCi starting - must be Wren factory built

- Wren 44 Gold, 44 Helicopter + 44 Turbo Prop
- MW54 MK 3 + 4 - Wren 70, Supersport, 75, 80, 100 (includes Jubilee)
- Wren 160, 120, 180

We regret that we cannot accept MW54 1 + 2, MW54 helicopter/turbo prop or home-builds

REMEMBER!

***WE ACCEPT CRASH DAMAGED or FAULTY ENGINES FOR RE-SALE TOO
THE COST OF REPAIR CAN BE DEDUCTED FROM THE SALE PROCEEDS***
