Notes for Parents and/or Guardians of Minors.

This Club does not undertake to supervise junior members other than for the actual act of model aircraft flying and associated pre-flight and post-flight procedures, unless specifically arranged.

Our activities at the flying site do not finish at a regular time and it is therefore your responsibility to ensure the well being of your child over and above arranging a predetermined collection time.

Should you wish to leave your child at the flying site, it is your responsibility to arrange for one of the senior members to supervise him/her during your absence.

In addition, this Club has specific rules relating to junior members and you are required to study them carefully.

This membership form must be countersigned by the parent/guardian if the applicant is under 18 years of age, thereby signifying you accept the above conditions of junior membership.”
